

Suzanne Marie Frigon McGlaufflin

April 1, 1953 - January 9, 2022

Suzanne "Sue", who was born in Central Falls, RI, resided in Rochester, NH and who lived a full life, went home to be with the Lord on Sunday January 9, 2022.

She was a beloved mother, grandmother, sister, daughter and friend. Sue has two daughters, Michele (and husband John) in Pennsylvania and Christine (and husband Paul) in Maryland and one daughter, Diane Joy "DJ" who predeceased her. She also has 3 granddaughters, Maddy, Emily and Elizabeth. Sue has 3 siblings, Marc (and wife Sharon) in MA, Denis in ME and Diane in ME and one brother, Paul, who predeceased her. Sue was a family loving person who was generous and always thinking of others. She loved to laugh, and she so enjoyed spending time with family for birthdays, holidays and other special occasions.

Sue graduated from Timberlane High School and always had a desire to travel. She joined the Air Force specializing in Communications and lived in Greece and other places here in the US. In addition to raising a family with her husband Robert "Bob" McGlaufflin, Sue worked in the medical field as a CNA, which she very much enjoyed. Over the past thirteen years, Sue shared her life with William "Bill" Sheppard. They had a strong and loving partnership. Throughout her years, Sue consistently shared her gifts of hospitality, helping and supporting those in need and engaging in many selfless acts of kindness, which made a lasting and meaningful impact on the lives of others. Sue loved music, had a beautiful voice, and this musical ability was passed on to her children and grandchildren. Sue also loved animals, especially dogs, the outdoors and looked forward to cruises on Lake Winnepesaukee or rides to Castle in the Clouds in the Fall, when the NH mountains were ablaze with color. Sue loved life!

To be sure, the greatest treasures in Sue's life were her faith, family and spending time with those she loved so well. We will all miss her dearly and cherish the years we were blessed to have her with us. She is home now, in the presence of the One who gave her life and reunited with loved ones who completed their journey before her. We will always love and never forget you!
