I came into Mary's life quite a while ago, as Charlie's "girlfriend" and now his "wife of 37 years" and Mary's "sister-in-law(more of a sister) also. As a family, we all know that her life has been filled with many tribulations, but as you can see from her beautiful smile, she brought us all joy!! She has been a treasure to us all. I have to say that I am a better person to have known this little gem. Speaking of gem, we all know she loved her jewelry and her "perfume" I will always remember her when I put on those bracelets and spray on my perfume! Rest in peace, our little "Peachanina" as Nonna would say. WE LOVE YOU.
